Warning: Never attempt to observe the sun with this telescope, especially when children are using it, as even brief exposure can cause blindness. Keep packaging materials out of reach of children to avoid suffocation risks. Adult supervision is required for children using this device. Never look directly at or near the sun through this device, as it can cause blinding. Also, avoid exposing the telescope to direct sunlight, as it can cause fires and burns due to light ray concentration. Do not disassemble the device; instead, contact Customer Service if you find any defects. The dealer will assist in sending the device for repair if needed. When cleaning the lens, use a soft lint-free cloth with gentle pressure. For very dirty lenses, dampen the cloth with a spectacle cleaning fluid. Protect the device from dirt and dust, and store it properly after use. Respect others' privacy by not using the telescope to look into their homes or other private areas. Dispose of packaging materials according to legal requirements, consulting local authorities if necessary. For additional assistance, please call 1-855-863-4426. We are constantly updating our offerings, so contact us if you don't find what you're looking for. Due to insufficient stock, site will not process your request.
